# 188 EDGEWATER CIRCLE SEA TRAIL PLANTATION

3 2.5 2

If you have been waiting for a stunning home on a half-acre lot in the vibrant community of Sea Trail in Sunset Beach, then you are in luck! These conscientious owners have made many thoughtful and aesthetically pleasing updates. This 3 bedroom 2 1/2 bathroom beauty sits on a gracious lot with a 180 degree view of the Calabash Creek and Jones hole #4. The light just pours into this open and airy home, giving it a cheery and pleasant feel. Imagine yourself lounging in your sun-room or on your deck, taking in the view. There is plenty of room to stretch out here,

with the primary bedroom downstairs along with the kitchen, living room, dining room, sunroom, powder room and a den. Upstairs are two additional bedrooms, a bonus room and a full bathroom so guests can have their own space, and you can maintain your privacy. The primary suite is your retreat at the end of the day, with generous space and a beautiful bathroom with tiled, walk-in shower. It is very difficult to find a basement of any type in this area, so this walkout basement with adjoining storage area is a rare gem! It opens to a spacious covered patio area,

adjacent to the outdoor shower. Recent updates include a remodeled kitchen that was opened up to the living room, with new cabinetry, an added island, and new counters and flooring. The interior and exterior of the home were painted, and bathrooms remodeled as well. The former screened porch was glassed in and a mini-split system added, so the beautiful setting can be enjoyed year round. Windows were replaced in most of the home, the walkout basement was renovated with new flooring, drywall and ceiling, and the outdoor shower was also updated.
